INTRODUCTION

In this, the second of the New Testament Editions of PICTURE STORIES FROM THE BIBLE, we portray the events in the final year of Jesus' ministry and the closing days of His earthly life.

The first of the New Testament Editions covered Jesus' birth in Bethlehem, His childhood in Nazareth, (another typical Jewish village in Palestine), and the first two years of His ministry, after He was baptized by John, in the River Jordan. A continuation of these New Testament stories will tell about Peter and Paul and the formation of the Early Church.

Of course, for a thorough understanding of the eventful episodes pictured in this second New Testament Edition, you should be familiar not only with Jesus' earlier life, but also with the stories of the Old Testament heroes. No doubt, many of you already have read the Complete Old Testament Edition of PICTURE STORIES FROM THE BIBLE, of which close to half a million were sold during the past year!

Two thousand years ago, when Jesus lived and died, Palestine and most of the Jewish nation, as well as the other lands bordering on the Mediterranean, were part of the Roman Empire, and the provinces of Palestine were ruled by Roman Governors who were all-powerful, and whose first allegiance was to the Emperor of Rome, who appointed them.

But, while Rome controlled all of the then known civilized world, politically and militarily, it was Greek culture and the Greek language which prevailed among the learned men, who wrote at that time. This picture story of the

Life of Christ is based on the accounts thus written, by Matthew, Mark, Luke and John in the first four Gospels.

These are part of the collection of twenty-seven books which have come to comprise the New Testament. Each of these four inspired authors firmly maintained his own interpretation of the story and message of Jesus, but of all four of the Gospels, that of Luke is considered by far the most interesting. Because of his lovable character and his deep interest in men and women, his telling of the outstanding parables of the Prodigal Son and the Good Samaritan, and his simple yet magnificent portrayal of the last days of Jesus, are considered among the most moving and dramatic of all narrative literature.

Practically all of the twenty-seven books of the New Testament were written during the period of about sixty years, between 50 and 110 A.D., which, because of this inspired portrayal of the life and teachings of Jesus, is known as one of the richest literary and religious periods in history. And so we urge you, after you have finished reading these New Testament PICTURE STORIES FROM THE BIBLE, to turn to and read the original of the four Gospels, on which they are based.

In this second New Testament Edition, we have again included a map of Palestine during the time of Jesus, as well as a chronological index of the events and scripture references to the episodes and events in the second half of the Life of Christ, which we are sure you will find helpful!
